

BAGHDAD AL - KHADRA TRADING Co. Ltd.

Who Are We:

BAGHDAD AL-KHADRA Trading Co. was established in 2004 to meet the arising demands for different kinds of equipments and materials in the Iraqi markets. The head office is located in Baghdad-Iraq, and has branches in other governorates and neighboring countries. **(KB)** main goal is to supply the Governmental Ministries and Establishments with their needs for equipments & materials. It works jointly with other companies to rebuild the Iraqi infrastructure and participates actively in other reconstruction programs. Presently, **(KB)** is involved mainly in the development of the Iraqi oil & gas industry. It plays an active role in the procurement and supplying of wide range of products & equipments to this industry as well as other industries such as power generation, water & wastewater treatment, petrochemical industry...etc.

(KB) represents major international manufacturers and suppliers, and is usually involved in joint ventures investment projects. A highly qualified staff and dedicated professionals oversees this area of the business with customer service being a priority. For the sake of a fast growth, **(KB)** has built some good relationship with well-known companies in both fields of project construction and materials supply.
